

CURWEN WEEKLY

Together Everyone Achieves More

Dear Parents and Carers

Wow, we are at the end of another term! We hope that as we return after half term we see lighter mornings and evenings and somewhat better weather – although who knows!!

Thank you so much to all of the parents and carers who attended parents' evening this week. We really do love having you in, and we really hope you like the opportunity to speak to school staff, see the environment, look at your child's books and speak to their teacher. We do try to make it an enjoyable evening with our food tasters and other information on offer – thank you so much for your feedback and please do let us know if you have any suggestions for future events. If you haven't already, please also complete our parent survey (details on the newsletter).

Huge thanks as always goes to our amazing staff TEAM who work so hard to make school as enjoyable as they can for the children. This term we have had multiple visits out as well as residential stays, visitors in, clubs and competitions and lots of other fun experiences to bring learning to life. We thank all of you for your support with this, coming on visits and supporting us with payments.

We hope that over the holidays you all have a wonderful time. Do take advantage of local events – we have lots of information and resources on our school website. We also look forward to welcoming in children for our half term holiday club. Please ensure that if this is booked that children are on time. **Unfortunately we are unable to refund in the case of non-attendance.**

Our very best wishes for a wonderful half term, and a very Happy Chinese New Year to all those celebrating.

Have a lovely break!

Mr Harris and Mrs Mansfield
