

Together Everyone Achieves More

Dear Parents and Carers

Thank you to everyone that has come in to take part in our costume making workshops. We hope that you have enjoyed them, and we are all very much looking forward to our Carnival on Friday 22nd March. Please do make sure that you save the date! It is very exciting hearing all of the music and seeing the children rehearsing.

We would like to thank everyone for your support in not driving down or parking in Victoria Road. It has been much calmer and safer without cars on the yellow zigzags and parking up the pavement. We have requested support from the council to make the road safer, and have passed on the complaint letters we have received from parents and local residents. Please do continue to park at the back of the school if driving.

We still have a HUGE number of items of lost property that we are unable to return to the rightful owner due to it not having a name. Please write your child's names in all coats, jumpers and cardigans to support with this. All lost property is stored in the glass corridor between year 4 and 5, so if your child has lost anything please do go and have a look.

As per the message from the office staff, if your child has an appointment then please remember they **cannot** be collected between 12:00-1:00pm **or** 3:00-3:15pm. This is due to lack of staff availability in our main office. Can we also please ask that **wherever possible** appointments are made outside of school time. In particular, routine appointments such as eye tests, collecting glasses and dental check-ups should **not** be booked during the school day.

If you haven't already, please do complete our parent survey <https://www.surveymonkey.com/r/Z3CPD96>. This will end today.

We wish you all a lovely weekend

Mr Harris and Mrs Mansfield

Last week, a small group of Year 5 children attended the Newham RE Junior Conference where the theme was 'Speaking Up.' They had the opportunity to work with children from a variety of primary schools across Newham, complete some fantastic team building and crafting activities, and consider and compare the similarities across different religions.

We are now selling Easter raffle tickets, (they are 25p per a ticket or £1 for a strip of 5). These can be bought either from your child's Class Teacher or from the main office.

This February 21st was **International Mother Language Day**. This is celebrated every year with the purpose of raising awareness of language, cultural diversity and multilingualism around the world.

As Curwen has more than 60 different languages that are spoken amongst children, families and staff, we invited parents and carers to come along and contribute to the celebration of our multilingualism. Throughout the entire week, from Monday 19th to Friday 23rd February, mostly during story time, parents and carers joined their children's classes and shared traditional stories, poems, songs, facts and pieces of culture, greetings or other vocabulary in person or by sending videos which we played in the classrooms.

We are all very grateful for these contributions as they represent a first-hand account of the richness of language and culture within our multilingual community.
