TTLT Termly Newsletter

## A message from Paul - CEO

Dear Parents, Carers and Children,

I cannot quite believe that we're already at the end of the first term of this academic year! It has been amazing to see all of the work being done at our schools and within the Trust and lots has been achieved in a very short space of time. We have seen lots of exciting events, competitions and many opportunities for our children to take part in extracurricular activities and our schools continue to offer much support to our communities in these very difficult times. The Trust and its schools continues to work together to achieve for all, ensuring that our children are healthy and happy and becoming responsible citizens of the future.

As many of you will be aware, we have received visits from Ofsted this term and are delighted with the outcome for North Beckton Primary whilst still awaiting the report for Curwen Primary, which will hopefully be received early in the New Year.

I would like to take this opportunity to wish you all a fantastic holiday and, to those celebrating, a very Merry Christmas and Happy New Year.

Paul Harris  
CEO

## Welcome to our New Trustee Mr Misbah Ahmed

Misbah works as a Strategy and Policy Manager for NHS England. His background is in education as a computer science teacher and in mental health as a social therapist. Misbah is very excited about joining TTLT and is looking forward to helping towards the positive future of the Trust

## Welcome to our New Chair of Trustees- Ms Paula Jeffers

Welcome and good luck to Paula Jeffers in her new role as Chair of Trustees

### Attendance

Being in school every day that it is open, is important to your child's achievement, wellbeing and their wider development. Please make sure your child is attending school.

## NORTH BECKTON PRIMARY SCHOOL

We are delighted that the work of the school and Trust to improve the provision before and after it joined the Trust has been recognised. The school had subsequently been requiring improvement in their last two inspections. Ofsted have validated that North Beckton is a GOOD school with an OUTSTANDING EYFS!

## Fundraising

Our children and families in the Trust are always passionate about supporting different causes around the world. This term alone they have supported many charities and raised over £1000

## Can you help?

For the last 6 years some of our schools have been visiting the Lake District staying at Lake Ullswater with the Outward Bound Trust.

In March 2024 there is a plan to take 72 pupils (18 pupils from 4 separate schools) to Howtown in Penrith.

The total cost for the whole trip including transport is £41,219.00 and £17,810.40 has been raised in funding leaving £23,408.60 to still pay. The majority of this will be met by parental contributions but we would like to raise as much money as possible to bring the cost per pupil down.

The 8 staff that are going to The Lakes are looking to raise £5,000 to cover the transport costs and your support with this would be greatly appreciated. If you would like to read more and make a donation please follow this link <https://gofund.me/ff330ba0> or scan the QR code

## Healthy & Happy Children
