

# CURWEN WEEKLY

Together Everyone Achieves More

Dear Parents and Carers

We hope that you all had a lovely long bank holiday weekend, and have managed to enjoy the welcome arrival of the sun this week! All of our year group 'What We Are Learning' pages have been updated and are available on the year group page so that you can see what your child/ren are focusing in on class. Click on the 'Our Classes' tab and select your child's year group - <https://www.curwen.newham.sch.uk/page/?title=Our+Classes&pid=95>

As the weather (hopefully!) warms up, we have a few pleas...

1. Ensure you write your child's name in coats, jumpers and cardigans. As children are warm they take them off in the playground or PE lessons and it is practically impossible to reunite them if they don't have a name in them
2. If your child has hayfever ensure they have their antihistamine daily and certainly take a dose before school as they find it really hard to concentrate in school if their eyes or nose are itchy
3. Please make sure your child comes in with a water bottle every day. They can refill these in school

A reminder of the Creativity Workshop being held on Wednesday 15<sup>th</sup> May 4pm-6pm. This is being run by Create London, who are leading the redevelopment of the Stock Street building. Sign up and come to the Atlas Road entrance if you are interested - sign up via the Eventbrite link [here](#).

Next week, year 6 children across England, including those at Curwen, will be sitting their end-of-Key Stage 2 SATs tests. We are hugely proud of our year 6 children and how hard they have worked, and we wish them all the very best of luck with their tests.

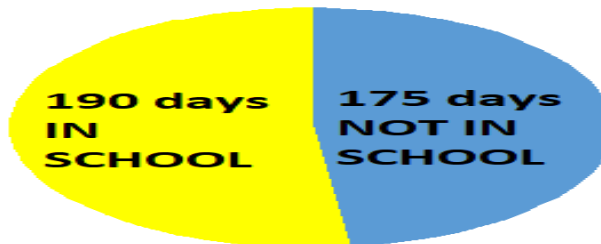

Have a lovely weekend

Mr Harris and Mrs Mansfield

### Year 1 Parents/Carers

In year 1, the children have been learning about Hinduism in RE and would like to share what they have learnt with you. The assembly will be via zoom on **Thursday 16th May 2024**.

**1K & 1I will perform at 1.30pm**  
**1L & 1W will perform at 2.15pm**

The assembly is 15 minutes long so please login on time to avoid missing out.

Login details will be sent out nearer the time.

Thank you.

We are aware that pollen and pollution levels are rising. This means that children with hay fever and/or asthma are being affected. Please ensure children are given allergy medication EVERY day as per the dosage to make it easier for them in school. Unless this medication is administered regularly it is not as effective at reducing symptoms.

Thank you for your support.

Please make sure your child's water bottle is not made out of glass.

### Reminder

If you require any School Uniform for your child, you can purchase this through School Money.

### Kindness Cup Winners

Nafiah—1I
