

CURWEN WEEKLY

Together Everyone Achieves More

Dear Parents and Carers

We have had a lovely week, despite summer apparently being over for the year! We hope that the children have enjoyed all their various visits out, and we are so thankful to all of our wonderful parents who are so helpful on these. Particularly as funding gets tighter and tighter it is even more important to us to have your support. If anyone is interested in volunteering then please do let us know. This could be helping out our lunchtime team, doing some reading with children or even being available for visits! Please send us a message on Studybugs if you think this is something you would keen to do. Please be aware that we are required to conduct various checks on anyone that volunteers for us.

This week a big shout-out goes to our year 4 children who completed the online Multiplication Check last week. We are very impressed with how well they took this in their stride. There is no pass mark for the check, but we are really pleased with the effort the children put in. It will make a HUGE difference to their confidence in Maths if they are confident with their times tables.

This week we took part in our 'People Powered Places' meeting at Plaistow library on Thursday evening to promote our upcoming Family Bike Ride on Saturday 29th June (do come along!). It was amazing to meet other community groups in Plaistow and hear the wonderful work they are doing. We have asked them to send us information that we can share with you, but do pop into Plaistow Library to find out more as there are so many community activities on offer.

We know that our Muslim families will be celebrating Eid this weekend. We hope that you all have a wonderful time with friends and family. If your child/ren will be off on Monday to observe Eid, please ensure you report this on Studybugs on **Monday morning**. You must inform us this is for Eid as we have a special absence code for religious observance. Eid Mubarak to you all.

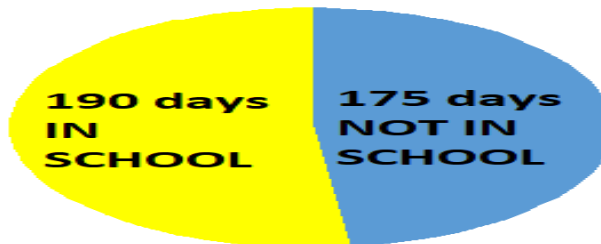

Have a lovely weekend

Mr Harris and Mrs Mansfield

BEST WEEKLY ATTENDANCE 4A — 100% attendance!

365 DAYS

EVERY DAY MATTERS
We expect children to be in school 96% of the time

175 days per year to organise appointments, see relatives and go on holidays.

Team Points will return next week!

If you require any School Uniform for your child, you can purchase this through School Money.

If you wish to buy School uniform ready for September, this can be purchased and collected on the Inset days—2nd & 3rd September.

We are aware that pollen and pollution levels are rising. This means that children with hay fever and/or asthma are being affected. Please ensure children are given allergy medication EVERY day as per the dosage to make it easier for them in school. Unless this medication is administered regularly it is not as effective at reducing symptoms.

Thank you for your support.
