

CURWEN WEEKLY

Together Everyone Achieves More

Dear Parents and Carers

We can hardly believe that we nearly at the end of academic year! It is really wonderful to share lots of exciting activities with the children and you all, and we hope that you have managed to get in to share some of your child's successes. It has been amazing to see how the children have progressed and developed in so many areas. They definitely have been able to SHINE!

This week the children brought home their school reports for the year, which celebrates many of their successes and achievements throughout the year. We are very proud of them and hope that you are too. We also received our year 6 SATs results, which the children have brought home with them. Again we are hugely proud of their achievements – both academic and all their other successes. We are delighted that our end-of-year results continue to be above National in all areas. Next week we will have our Celebration Assemblies and class parties. Children can wear their party clothes (suitable clothes please) on the day of their party and we welcome any donations of snacks and drinks for the children to share.

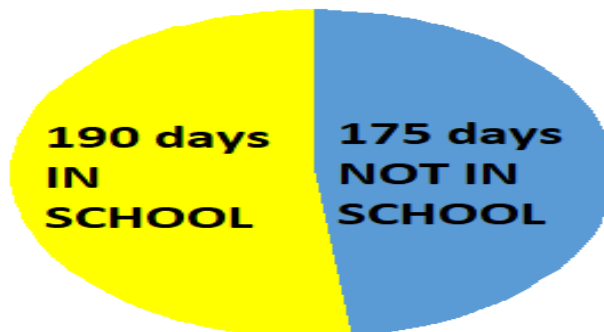

As we move into the last week of term, please do keep checking Studybugs for messages as we still have plenty happening! Don't forget that school ends at 1pm on Friday 19th July for the summer holidays. All gates will be opened at around 12:55pm so that you can collect your child as usual from their classes.

Have a lovely weekend,

Mr Harris and Mrs Mansfield
