Scheme of Delegation

2024/25

Date reviewed: Summer 2024

Date approved by the Board: 21st May 2024

Date of next Review: Summer 2025

The Tapscott Learning Trust (the 'Trust') is a Multi Academy Trust with four primary schools located in East London. The Trust was founded in 2017 and all four schools are rated good or outstanding by Ofsted.

The vision of the Trust is to empower children through education, supporting healthy lifestyles and creating joyful learning environments, to set them on the path to happy, successful lives.

The Trust is a charitable company limited by guarantee. The Trust's governance structure is shown on page 4, and the key responsibilities of the governance layers are as follows:

Members

Members play a limited but crucial role in safeguarding academy trust governance and upholding the charitable purpose of the organisation.

The Trust Board (Trustees)

The Trust Board has collective accountability and responsibility for the running of the academy trust and assuring itself that there is compliance with regulatory, contractual, and statutory requirements.

The academy trust board delivers the following core functions:

- Strategic leadership of the academy trust: the board defines the trust vision for high quality and inclusive education in line with its charitable objects. It establishes and fosters the trust's culture and sets and champions the trust strategy including determining what, if any, governance functions are delegated to the local tier
- Accountability and assurance: the board has robust effective oversight of the operations and performance of the academy trust, including the provision of education, pupil welfare, overseeing and ensuring appropriate use of funding and effective financial performance and keeping their estate safe and well-maintained
- Engagement: the board has strategic oversight of relationships with stakeholders. The board involves parents, schools and communities so that decision-making is supported by meaningful engagement.

The Trust Board has four sub-committees: Safeguarding, Standards and Curriculum, Finance, Operations and Resources, Audit and Risk and Remuneration. Their delegated duties can be found in the Committee's Terms of Reference.

Local Advisory Boards

Each of the schools in the Trust has a Local Advisory Board (LAB) which includes parent governors. The LABs have an important role in providing local oversight and stakeholder engagement in each school. The trust board can vary items delegated to the LAB, as the trust board deems necessary.

Scheme of Delegation

The Scheme of Delegation (SoD) defines the powers delegated by the Trust Board to other sub-committees or executive officers within the Trust to facilitate the day to day running of the organisation, ensuring compliance with the Academy Trust Handbook. While the SoD seeks to offer clarity on decision making powers and includes specific authorities, it cannot provide a definitive and exhaustive guide to decision making across every area of Trust business. To that end TTLT and its officers should seek to operate within the spirit of the framework holding to the culture of governance, as defined by high levels of transparency and strong trust. The Trustees recognise that, whilst they are able to delegate down decision making and responsibility, the ultimate accountability remains with them.

Chair's Action between Trustee Meetings

No individual trustee is empowered to make decisions on behalf of the Trust outside any specific authority set out in this scheme of delegation. However, as an exception, the Chair of Trustees can make a decisions as a single trustee when a delay in doing so would be

- Seriously detrimental to the interest of the trust of any of its schools, staff or pupils, and
- It would not be possible to postpone the decision to a meeting of trustees (which the Chair can convene with less than seven days notice if necessary, provided trustees will have sufficient time to receive and give due consideration to relevant documents relating to the decision)

Key

LAB - Local Advisory Board

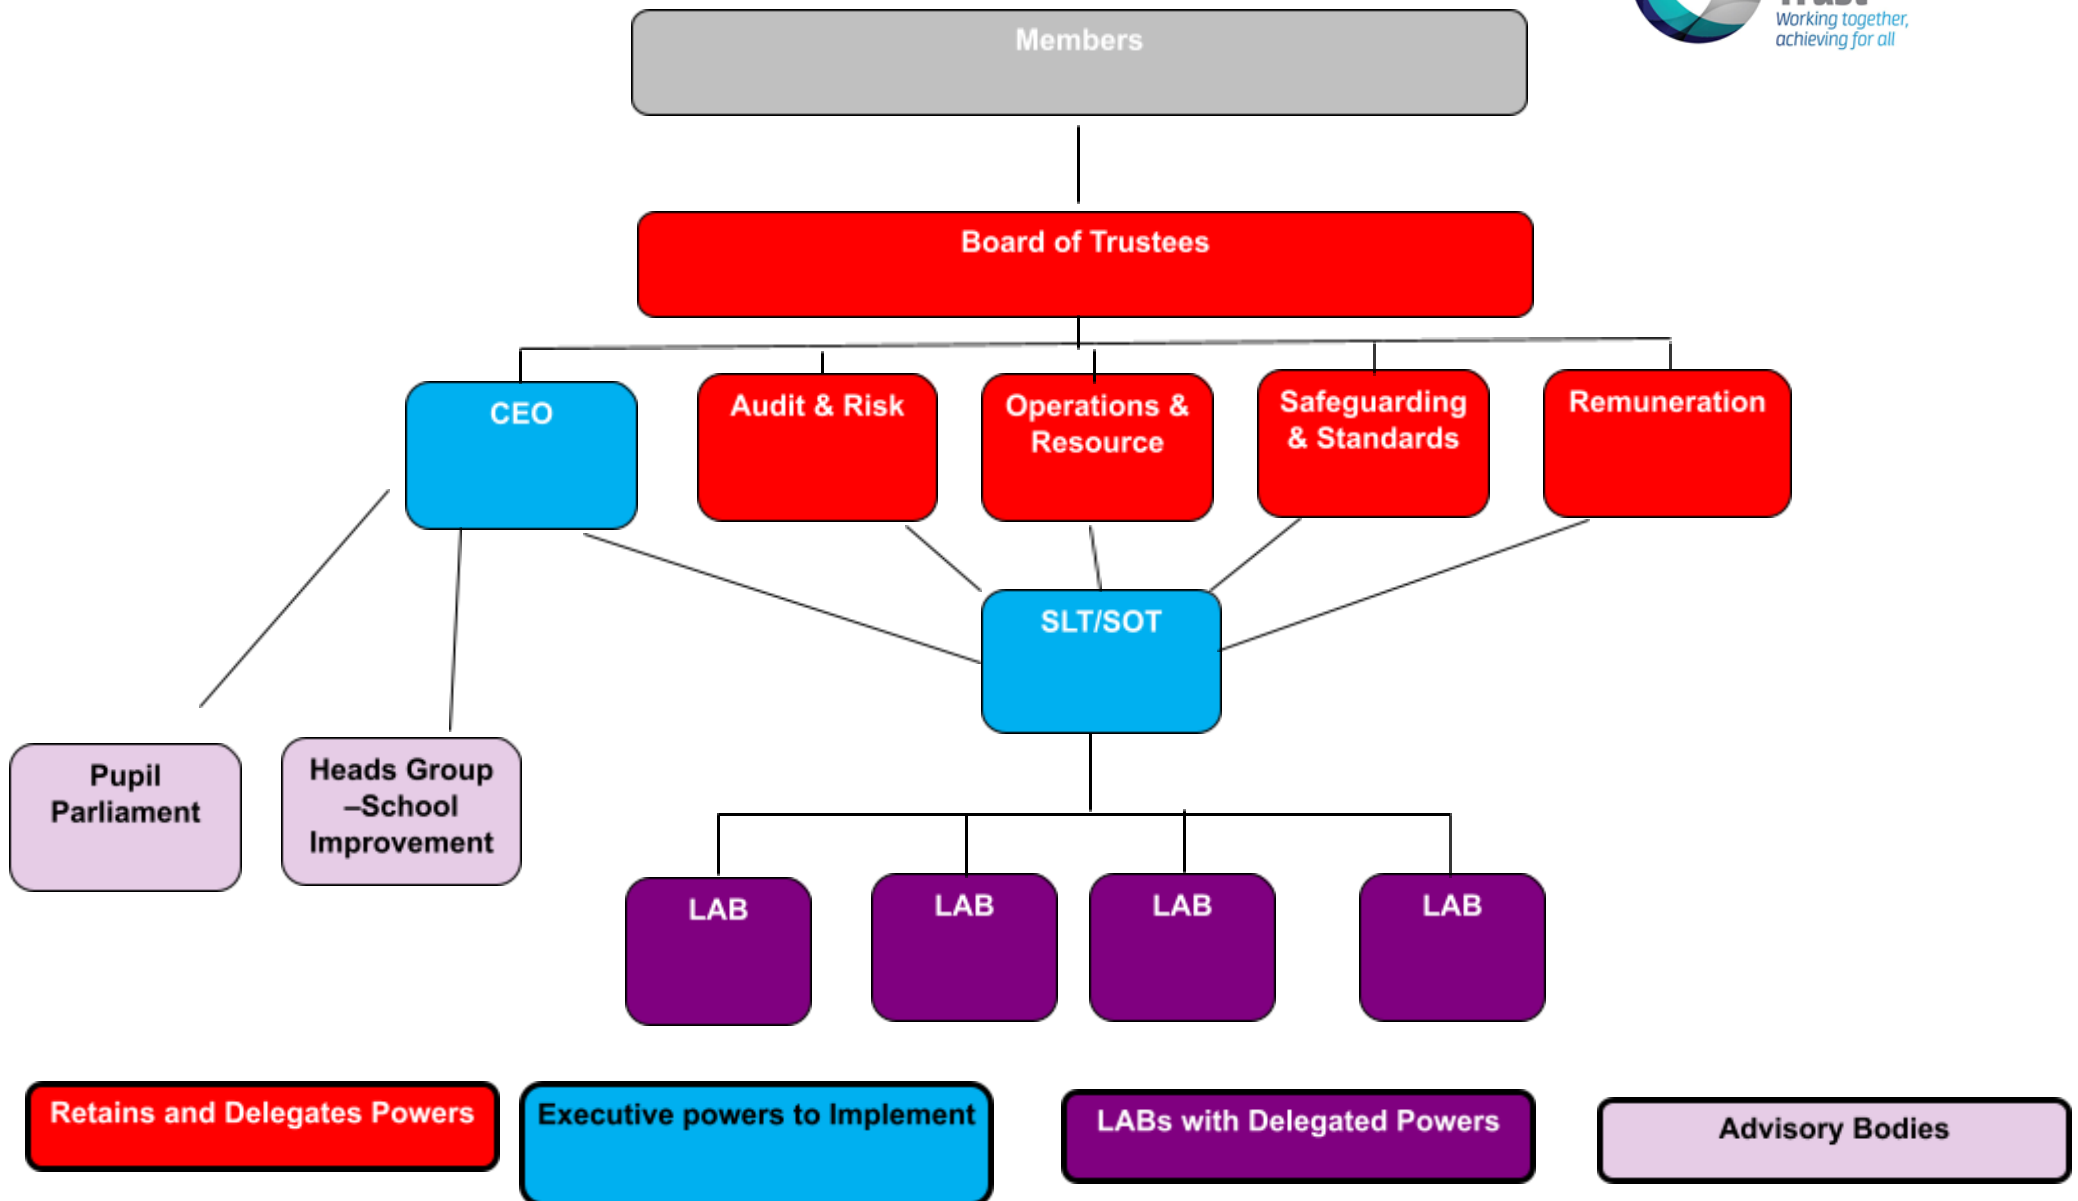

F- Fully Delegated

P - Partially Delegated to a Board Committee

N- Not delegated

Exec Team – CEO, CFO, Executive Headteachers, Head of Governance & Compliance, Head of Operations, EDI Officer, Training Hub Manager

The green shaded boxes indicate where the final decision-making authority sits.
