## Arriving at School

Gates to the playground will be open at 8:35am but there will be no staff in the playground until 8:45am, so you will need to supervise your children. Children are not permitted to use the playground equipment/climbing frames at this time.

Classroom doors will open at 8.45 am and close at 8.55 am everyday, any children who are late should make their way to the main office with a parent/carer and wait outside until your child/ren can be taken to their class.

If you want to come to Breakfast Club it is from 7.45 - 8.30am everyday and costs £1.20 per day. (Children will not be admitted after 8.30am). Entrance to breakfast club is via the main office.

MN

## Collecting your child at the end of the day

Please collect your children from their classrooms at **3:15pm**. Gates will be open from 3:10pm for you to wait in the playground but children won't be dismissed until 3:15pm.

The playground gates will be closed at **3:25pm**. After this time, you are late and you will need to collect from the office.

If your child is collected after **3:30pm** you may be charged a late fee.

**PLEASE PHONE THE OFFICE AS SOON AS YOU KNOW YOU ARE GOING TO BE LATE COLLECTING YOUR CHILD TO AVOID BEING CHARGED.**

MN

## Collecting your child - safety at the classroom door

Please be patient with teachers and staff whilst we get to know your faces at the end of the day.

We want to make sure that the children are sent home safely, so please be patient. The teacher may be speaking to another parent, so it may take a minute or 2 to dismiss your child.

Please stand back from the yellow arches to give children space to come out of the classrooms.

**PLEASE PHONE THE OFFICE BEFORE 3pm IF SOMEONE DIFFERENT IS COLLECTING YOUR CHILD AT THE END OF THE DAY**

## Scooter & bike safety - before/after school

The playground is a very busy place so all children and adults must **COMPLETELY** dismount from scooters and bikes once on school premises. Expect to be spoken to by school staff and if it continues, your child may not be permitted to bring their scooter/bike to school any longer.

Last year there were several collisions/injuries in the playground relating to scooter/bike usage before & after school.

Thank you for helping to keep all of our school community safe.

CM

## After school childcare provision

After school we have a 6 o'clock club. This runs Monday to Friday and is open to anyone.

The cost is £13 per day and children are supervised by members of school staff.

This club is flexible - some children stay all week but others only stay on certain days but this **must be booked in advance.**

**Anyone collecting a child from 6 o'clock club must be 16 years old or over.**

Please speak to a member of the office staff if you would like more information about 6 o'clock club.

## After school clubs (Yrs 1-6)

There will be 2 types of clubs after school

- (1) Additional Tuition - these are additional learning support sessions delivered after school for specific children. School staff decide on who needs to attend these & they are free. *Starting week beginning 22<sup>nd</sup> September.*
- (2) Extra-curricular activities e.g. cooking, art, sports, gymnastics - there will be a charge for most of these activities. Open to all children. *Starting after October Half Term Holiday.*

*Letters will be coming out in the next couple of weeks about this.*

## Half-term Holiday club

In the October Half-term holiday we are running a 2 day holiday club for years 1-6 at Curwen 10am-3pm  
(Monday 27<sup>th</sup> and Tues 28<sup>th</sup> October)

There is a small charge for this club to cover the running costs.

Again, letters will be coming out about this in the coming weeks.

CM

# Celebration/birthday treats

We request that parents **do not** send in party bags, sweets, cakes, toys or treats for their child's birthday as this becomes very difficult for us to manage in school.

To celebrate children's birthdays, we invite them to wear **non-uniform** when it is their birthday. That way staff know it is their birthday and we can make it a special day for them. If their birthday falls on a Saturday, Sunday or in the holidays then they can choose whether to celebrate the Friday before or Monday after.

# Water bottles

- Please ensure your child brings a water bottle (with water!) each day
- This should be labelled with your child's name and class
- The children have access to water fountains around the school which are cleaned regularly

# Appointments

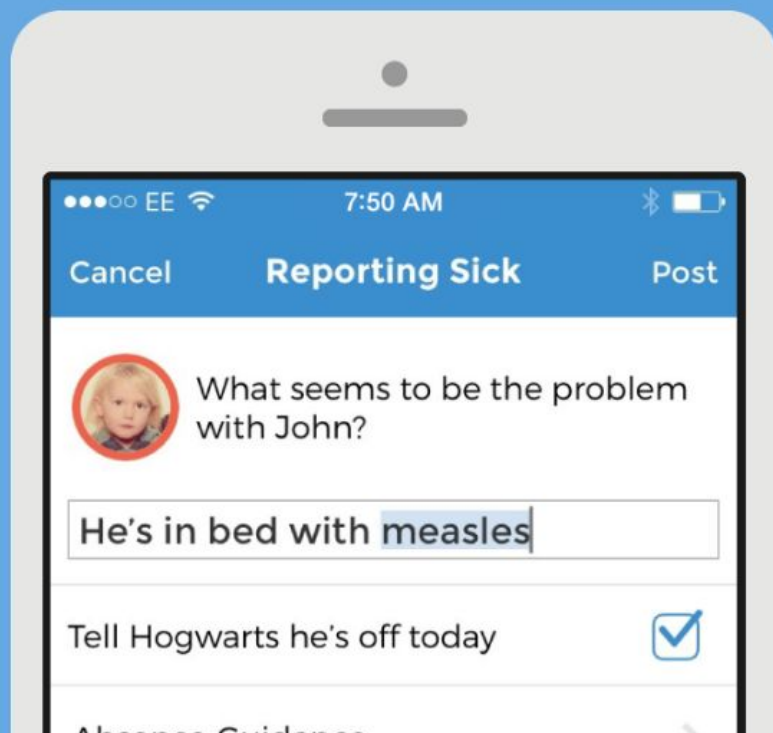

- All medical and dental appointments should be arranged **outside of the school day**.
- Where this is not possible, please inform us through Studybugs and provide evidence of the appointment.
- If your child is at an appointment in the morning, and you cannot get them back to school before 12pm, then they should not come back until 1pm.
- **No children will be collected or admitted back into school during the lunch hour 12-1pm.**
- **No children can be collected from the main office after 3:00-3:25pm.**

# Medical Conditions

Please ensure that all **medical details are up-to-date** – if anything changes, please let us know **immediately** by speaking to the **office**.

All children with asthma should have an **asthma pump with a prescription label permanently in class (make a note expiry date so you know when to contact your GP)**. If they require any other prescribed medication, then please bring this to the office **ONLY**.

**DO NOT GIVE ANY MEDICATION OR ASTHMA PUMPS TO CLASS TEACHERS OR SEND IT IN YOUR CHILD'S BAG**

Throughout the year we will be contacting parents to update health care plans. This is a legal requirement to ensure pupils are safe in school.

# Medical Conditions

If your child hurts themselves inside or outside of school and it is necessary for them to wear a cast/bandage/support or have crutches etc, then you must inform us as soon as possible and accompany your child to the **main office** on their first day of return.

Staff will help you to complete a temporary health care plan before letting them come into school. This is for their own safety.

Please bring with you any paperwork that you are given from the A & E department or doctors.

## Behaviour at Curwen

Children behave very well at Curwen and usually make the right choices. However we firmly believe that no one child's behaviour will ever be allowed to disrupt the learning of the rest of the class.

## Behaviour at Curwen

We use a visual traffic light system to remind children of their behaviour choices and associated consequences.

-2<sup>nd</sup> reminder. You will need to attend Restart to reflect on your behaviour choices

-1<sup>st</sup> warning. You need to think carefully about the choices you are making right now

-Well done, you are making the correct choices

# Positive rewards

Throughout the day and over the course of the year, children who try hard in their work and follow the school rules are rewarded in lots of different ways. Here are just some: Team tokens

## Are we going on any trips?

We will be going on educational trips to support our learning and will have visitors in to share their experiences with us.

These will include:

**Autumn -**

Freshwater Roman Workshop  
A Mandir temple (Hinduism)

**Spring -**

The River Lea

**Summer -**

Chigwell Row  
The Horniman Museum  
Plaistow Library

We will be asking for parent volunteers to accompany us on trips to support us by looking after small groups of children. Please read all letters carefully.

Permission slips - if your child attended Curwen last year, then you would have signed a form giving permission for your child to attend trips and this permission continues into this current year, so there is no need for you to do another. Reminder slips will be sent home before each trip.

## Can Parents come on the trips?

### Yes! But...

- ❖ This is to HELP the school staff supervise a group of 5 or 6 children - keeping them safe and asking the children questions to help them learn on the trip.
- ❖ Helping on trips can be **hard work** so please only volunteer if you are physically able too & can walk/stand unaided for significant periods of time. We go out in ALL weathers!
- ❖ Please only volunteer if you can **DEFINITELY** attend. Pulling out at the last minute really puts us in a difficult position, meaning the trip may have to be cancelled and you won't be asked again.

## Can Parents come on the trips? (continued)

- ❖ Reminder letters will be sent home a couple of weeks before each trip.
- ❖ At this point, if you are able to volunteer then please inform your child's class teacher asap either verbally or send us a message on Studybugs.
- ❖ The teachers will then inform you of which volunteers are required.
- ❖ If you have not been chosen to volunteer, then **please do not make your own way to the trip venue unless school staff have explicitly said this is okay.**
- ❖ Throughout the year we will try to ensure that every parent who wishes to support on a trip gets the opportunity to help at some point, but you won't go on every trip. Teachers will keep a record of who goes on which trip so that it is fair. Priority will be given to parents/carers who support with a forest school visit.

## Literacy

Our literacy curriculum focuses on different class text. We look at different reading skills and grammar knowledge through these stories, as well as using them for inspiration in our writing.

## Maths

At Curwen, children follow Curwen's carefully designed maths curriculum which focuses on basic skills, calculations and reasoning. The focus this term will be on 'Number'.

Parent workshops for both Phonics and Maths will be run in the coming months to support you with working with your child at home.

## Table groups

This year children will be grouped differently.

The table names will be either named after the **oceans of the world or rivers of the world.**

There are a variety of factors we consider for seating arrangements. One of our main priorities will be considering which children will work well together and how they will support one another.

Groups will be changed regularly to build children's **teamwork** skills and allow them to get to know one another better.

# Forest Schools

## What is a Forest School?

- It involves child-led sessions in a woodland or natural environment, primarily using natural resources.
- It aims to promote resilient, confident, independent and creative learners.

## Where will Forest School take place?

- Forest School sessions will take place in school.
- The school grounds are also being developed to support more outdoor nature activities.

## What will my child do at Forest School?

- Children carry out a range of outdoor activities that develop their skills and knowledge relating to the National Curriculum.
- Some activities may include: mini beast hunts; plant and animal identification; observation of seasonal changes; land art; tree-climbing; digging; whittling; sawing, den building, fire lighting and outdoor cooking.

## What clothing will my child need to attend Forest School?

- For health and safety reasons, children need to wear weather-appropriate, full length clothing and walking boots or wellies.

## RSHE (Relationships, Sex & Health Education)

Relationship, Sex and Health Education became mandatory for all primary schools to teach from spring 2020. It is delivered through the school's PSHE (Personal, Social, Health and Economic education) curriculum.

Our curriculum was designed in consultation with Parents and has been in place from September 2021. This year there may be a further consultation, so please attend this so that you are fully informed of all the facts.

More information will follow this meeting for those that wish to find out more.

## Assessment at Curwen

- At Curwen we follow the National Curriculum
- Each Year Group has 'End of Year expectations'
- Throughout the year, your child's teacher uses a range of information to determine what your child can do, and what their next steps are.
- We use their classwork, work books, observations, chats with the children & parents, as well as some test papers at various points in the year to help us work out and share your child's progress with you.
- You can always discuss how your child is doing with the teacher, and their overall attainment will be shared with you in their end-of-year report.

H

## Year 4

- Government requirement - There is a national times table assessment in June 2026.
- This will be done on laptops. There will be 25 questions and children will have 6 seconds to answer each question.
- Please support your child with learning their times tables as it also supports their learning in school.
- Please do not panic about this!

H

# Homework

**Homework** will be put online onto your Child's Google Classroom account each week.

Homework help will be available in every Monday and Friday.

Tasks are always a revision of topics that have been covered in class that week.

Please speak to your child's class teacher if you are having any problems with this or see our [website](#)

# Reading

- In **Year 4** we expect pupils to be reading for at least 10 minutes (5 times per week minimum) to help pupils build on their fluency in reading.
- Children will soon be given a book by their teacher which matches their reading level and they can also select either a fiction or a non-fiction book from the school library.
- Year 4's library day is on a Thursday every other week.
- **Please ensure books are placed in their book bags every day.**
- Reading book changing will take place on different days of the week, so please ensure that your child ALWAYS has these in their book bags.

## (4) Google Classroom....

- All children in Year 4 are currently being taught how to log on and access homework on Google Classroom this term.
- This is an interactive online platform for learning which allows teachers to create learning opportunities and to give brief feedback.
- Further refresher training for parents will be provided so that you can support your child in accessing and responding to tasks.
- Please do not message staff on this facility

# STAYING SAFE ONLINE

**In class we have displayed three main rules to stay safe online:**

- Don't share personal information
- Don't communicate with strangers
- Tell a trusted adult if you are worried about something

**Stranger Danger applies online!!!!**

SM

If you are ever concerned about accessing information online or have any questions about internet safety, you can speak to your class teacher, Mr Cameron or the Computing Leader (Miss Lam).

There are several websites offering help and advice about how to stay safe online. Just search 'e-safety', e.g.

<https://www.thinkuknow.co.uk/>

A screenshot of the CEOP's Thinkuknow website. The header says 'Welcome to CEOP's Thinkuknow'. Below it is a paragraph of text: 'Come in to find the latest information on the sites you like to visit, mobiles and new technology. Find out what's good, what's not and what you can do about it. If you look after young people there's an area for you too - with resources you can use in the classroom or at home. Most importantly, there's also a place which anyone can use to report if they feel uncomfortable or worried about someone they are chatting to online. All the information here is brought to you by the team at the NCA's CEOP Command. We hope you like it!'. Below this is a section titled 'Are you...' with six colored buttons: '5-7?' (blue), '8-10?' (yellow), 'Parent/Carer?' (pink), '11-13?' (green), '14+?' (yellow), and 'Teacher/Trainer?' (blue).

# ONLINE SAFETY

## Online Gaming

Is the content age appropriate?

*Fortnite PGI=12 years old*

*RoBlox=7 years old*

*Hello Neighbour PGI=13 years old*

*Social Media e.g. TikTok = 13 years old*

Lots of games have communication facilities that allow strangers to contact your child. Do you know who your child is 'chatting' to?

# How can you support your child's learning?

- Homework
- Reading records - discussing the text with your child and asking them questions
- Handwriting
- BUG Club & other online learning
- Practising times tables
- Come wearing P.E. KIT each **Monday**
- Participate in any parent opportunities (mixture of virtual & in-person)
- Talking about their experiences

SM

## Well-being

At the end of the school day, your children have lots to share with you. They may have stickers, they may have learned something really exciting they'd like to tell you about!

Please, leave your phones in your pockets for 10 minutes while you greet your child.

And please don't be offended if we don't let your child out until you have finished your call.

SM

When collecting your children, please welcome them with a smile, not a mobile phone.

This ensures teachers can quickly and safely hand over children and relay any messages.

Please remember to inform the office as well as the class teacher of any changes in the collection of your child.
