

CURWEN WEEKLY

Together Everyone Achieves More

Dear parents and carers

There have been a few letters coming home this week. Firstly, you should have received a timeslot for Parents' Evening during the last week of term. As explained, this will be **virtual** with the February meetings in person so that you can see your child's books. We have this blended approach following feedback that some parents prefer meetings online and some prefer in person. We hope this gives you the best of both worlds!

We have also sent out our ballot for a Parent Governor. We would like to thank Mr Shaba Ali who was our previous Parent Governor. This is a very important role and he has volunteered a lot of his time to support the school which we sincerely appreciate. Please do vote in our ballot, either via Google Forms or on a paper copy.

Next week is World of Work Week for years 2-6. We hope that they get a lot out of the work, activities and visits they complete next week. A massive thank you to all of the parents and carers that have offered to come along and make sure the visits are able to go ahead. We honestly could not do it without you!

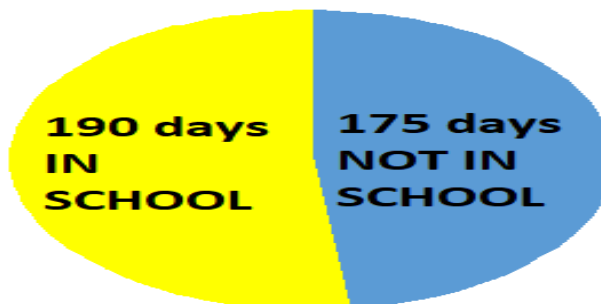

Finally, we unfortunately end on a Health & Safety point. We have received complaints from parents about spitting in the playground by parents/carers. This is really unacceptable, and any parents seen spitting will be spoken to by a member of SMT. Our children play in the playground, and spitting can spread infections and illnesses. If you need to spit, please ask a member of staff for a tissue and we will be happy to help. Thank you for your support.

Have a lovely weekend.

Mr Harris and Mrs Mansfield
