

CURWEN WEEKLY

Together Everyone Achieves More

Dear Parents and Carers

We hope that you had an enjoyable half term and enjoyed Diwali if you celebrated it. It has been lovely to see all the children back at school and working hard.

Don't forget that we have the children's individual photographs on Monday. The photographers will be in the hall from 8am if you want to have a family picture. We will get children to collect their brothers and sisters for their photo, but please do bring any Nursery or younger children that you want photos of at 8am. Please make sure children look smart in full school uniform. Year 4 should wear/bring trainers with their uniform for their PE lesson.

Thank you so much to everyone that bought a book from our Book Fair. We raised almost £500 to spend on books for our library which is amazing! Thank you also for your generosity buying the poppies. We will be observing a silence on Monday morning with the children from year 1 and upwards, and year 6 have been working hard on a Remembrance Assembly this week.

As mentioned on Studybugs earlier this week, please be very careful and speak to your children about being careful in the local area. We have had reports from parents about anti-social behaviour, and have made a report to the police from the school. We are also aware of phone snatching happening locally. In particular for children that are home alone, please make sure you talk to them about what to do if they are worried.

Finally some excellent news! We have been awarded the NCE Computing Quality Mark (CQM), which recognises our excellent computing education provision. We are really pleased to have achieved this, and a big well done to all of our staff who have worked hard. Particular thanks to Mr Woolstencroft who developed the curriculum and applied for this award.

We hope you all have a lovely weekend

Mr Harris and Mrs Mansfield
