

Together Everyone Achieves More

Dear Parents and Carers

We can hardly believe we are in December! Christmas has arrived at Curwen and the children and staff have done a fantastic job of decorating the school. We would also like to thank the parent that kindly donated a real tree for our main reception area – it looks and smells lovely!

Please keep referring to our Christmas Countdown to keep up with all of the various events we have going on. Thank you so much to everyone for coming in and sharing with your children’s learning over the past week or so; it has been great to see you. Please remember we do **insist** that parents arrive on time for events. There will be **no late admission**. <https://www.curwen.newham.sch.uk/page/?title=Dates+for+your+Diary&pid=465>

Just a reminder that due to the Christmas lunch, the lunch menu will change next week.

We have been asked to send out information on applying for an e-Visa. If this applies to you, we have put information on our website that will hopefully help:

<https://www.curwen.newham.sch.uk/page/?title=E%2DVisa+Information&pid=478>

Please come to the main office if you need any further support with this.

A reminder that our **after school clubs have now ended** until January, so please ensure children are collected at 3:15pm every day. We are also taking donations of bric-a-brac, toys, books and food for our Christmas Fair next Friday. We are hoping it will be a lovely chance to come together and have fun, so do come along. If your child is usually **home alone**, please talk to them about what your arrangements are for them. All other children **must be collected** to attend the fair unless they are booked into 6 o’clock club.

To get into the festive spirit, we thought we would share a Christmas joke with you – Why doesn’t Santa eat junk food? ... Because it’s bad for your elf!

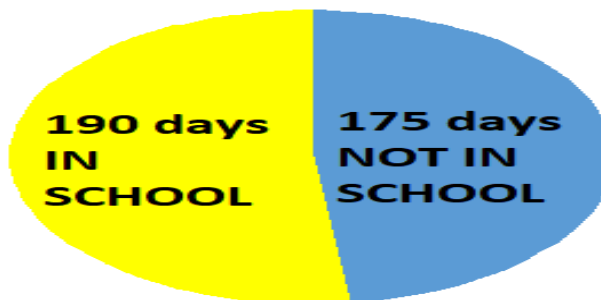

We hope you have a lovely weekend and look forward to seeing you soon!

Year 2 have been learning about instructions and used their knowledge to follow a bread recipe. They used their maths skills to measure out the ingredients, as well as practising their motor skills when kneading the dough. The children enjoyed making the bread and eating it at the end. What a fun experience!

REMINDER!

All clubs have now finished, with the exception of Choir club, which finishes on 10th December. 6 o'clock club and Breakfast club will run as normal.
