

Together Everyone Achieves More

Dear parents and carers

We hope that your children have been enjoying the various after school clubs we have on offer. As you will be aware, paid clubs end this week or next, so please ensure you collect your child/ren at 3:15pm. All tuition and free clubs will continue. Thank you to everyone who has returned club letters for the next round of clubs. Information about these will come out in the coming weeks.

This week you should also have received a letter about parents' evening which is being held IN SCHOOL on Tuesday 11th or Wednesday 12th February. This will give you a chance to meet your child's teacher and look at their books. We will also have secondhand uniform and the book fair, as well as information and school dinner tasters, so please do come along.

We have been informed by Newham that the Healthy Streets initiative will be implemented as of the start of March. Please keep this in mind and start planning your route if you have to come by car. Please note that this is a Newham scheme, and school has no control over fines issued, the streets included or the timings. If we receive any further information we will share this with you.

Finally a plea! Please check our lost property box which is overflowing with items of clothing with no name. This will be recycled once we get to the holidays which is a real shame.

For all our families celebrating, we wish you a prosperous Lunar New Year.

Have a lovely weekend

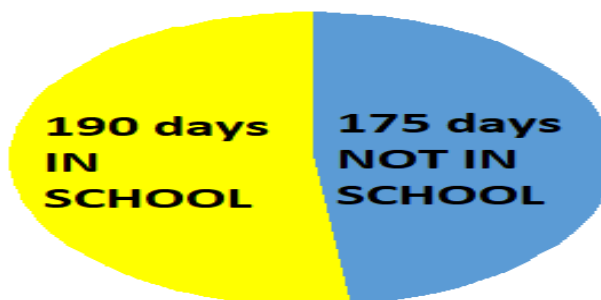

Mr Harris and Mrs Mansfield

Our talented School Council representatives attended the Newham School Council Conference for Key Stage 2 on January 14th, 2025 at Elmhurst Primary School. This was a fantastic opportunity for our young leaders to connect with peers from other schools, honing their debating skills and developing their abilities in oracy, advocacy, and representation. We are incredibly proud of their hard work and dedication!

At the conference, the children expressed their views about sustainability and decided to take action to make a difference to their school and continue to promote sustainability.

We are in need of spare uniform so if you have anything at home that you no longer need/ want, please hand it to the office. Thank you.
