

# CURWEN WEEKLY

Together Everyone Achieves More

Dear Parents and Carers

As we come to the end of another week, we look forward to seeing you all for Parents' Evening next week. We are asking teachers to keep to their 10 minute slots, so please do not be offended if teachers end the meeting if you have a lot to discuss. If this is the case, you are welcome to arrange a follow-up discussion at a later date. Please also ensure you are on time, as it is not always possible to squeeze people in if they miss their slot. Remember, children's books will be available for you to look through with your child/ren, so do arrive a bit early or stay after your meeting to have a look at them.

Throughout the two evenings we will also have second-hand uniform (any donations gratefully received), online safety information, lost property (we have loads of glasses!), book fair and school dinner tasters. Teas and coffees will also be served in the hall. Teachers will be giving out 'data checking' forms, so please make sure you read these carefully and make sure all information is correct before handing back in.

This week we hosted the Urban Debate League Round 1 competition. Six schools from East London fielded teams who debated about the importance of breaktimes versus learning time and whether we should pay if we don't recycle. The Debate Teams were amazing and did a fantastic job. We will have a further round in March. A huge well done also goes to our KS1 cricket team who won in our TTLT competition, and to our amazing School Council who did a wonderful presentation for our governors. The varied talents of our pupils never ceases to amaze us!

Have a lovely weekend, and see you at Parents' Evening if not before!

Mr Harris and Mrs Mansfield

As part of the ongoing efforts by TTLT to prioritise the health and wellbeing of our children, we have partnered with the London Marathon this year. As part of this, our very own Jordan Riches, who is based at Ranelagh Primary, is currently training to run the London Marathon on Sunday 27th April! It's a huge undertaking and we are very proud of him.

We will also have 160 children running the mini marathon the day before the full marathon. All the children will participate in the virtual mini marathon.

Jordan is looking to raise money for our extra-curricular activities. We offer over 100 free before school, lunch and after school clubs every week across the Trust. This is a huge investment and makes a massive impact on children's health and wellbeing. It is also a great support for many of our families, including the most vulnerable.

Every penny Jordan raises will make a difference so, if you are able, can we ask that you donate to the fund and also share far and wide with your organisations, colleagues, friends and anyone else you can think of.
