

# CURWEN WEEKLY

Together Everyone Achieves More

Dear Parents and Carers

We come to the end of another busy week at Curwen where we started off with high hopes for the weather, and now are in the rain and cold again! We hope that Spring returns soon. There have been lots of educational visits out this week. As you know, we firmly believe this not only makes the time in school for the children more enjoyable, but also helps to make their learning come to life and more memorable. We would like to thank all of our parents and carers who are kind enough to volunteer to support on these visits, as without your support they could not go ahead. Thank you also to our lovely staff for organising them!

We had a great time last week celebrating World Book Day, and celebrated our 'Story Spuds' in our newsletter last Friday. Lots of pictures from the day are available on our school website, so do have a look: <https://www.curwen.newham.sch.uk/gallery/?pid=0&gcatid=24>

As you have been informed, all year groups are holding parent/carer workshops to help the children make Carnival outfits. Thank you to everyone that has already been in to help with this. We are all getting very excited in the build-up to International Family Week! Don't forget that all the key dates and information are on our school website: <https://www.curwen.newham.sch.uk/attachments/download.asp?file=3653&type=pdf>

**Please remember that older siblings cannot have time off from secondary school to attend our International Family Week events.** We do love to see them, but we are not permitted to allow them into school when they are missing education. Please encourage them to come to our summer fair instead!

This week we had our annual Inclusion Quality Mark (IQM) re-assessment visit. We had an external assessor in for the day who was very busy! He walked around the school, spoke to children, parents and staff and even had school dinners. He was very impressed with what he saw and heard, and we are now awaiting our report. A huge well done and thank you to everyone for the amazing TEAM effort. We will share some highlights from the report once we receive it.

We hope you have a lovely weekend

Mr Harris and Mrs Mansfield

### Re Junior Conference

Last week, a small group of Year 5 children attended the Newham RE Junior Conference where the theme was 'Compassion'. They had the opportunity to interact with children from a variety of primary schools and complete some fantastic team building and crafting activities. They also had the chance to compare stories from different religions and analyse both religious and non-religious worldviews about kindness, compassion and respect.
