

CURWEN WEEKLY

Together Everyone Achieves More

Dear Parents and Carers

We hope that you all had a lovely holiday and could spend time doing all the things you enjoy. We also hope that anyone that celebrated had a lovely Easter. We can hardly believe it is the last term of the academic year, it really seems to have flown by! This week we have welcomed our yearly fluffy visitors to school – our little chicks! We all love having them here, and believe it really helps the children to understand some of their learning on lifecycles. Some of the children are currently spending a lot more break time in school just watching them, as the chicks are extremely cute! We still have lots to look forward to this term, and lots of events to invite you in for. Please do check all our diary dates on the website - <https://www.curwen.newham.sch.uk/page/?title=Dates+for+your+Diary&pid=465>

You may have noticed some changes to our playground, with sheds being moved and the broken climbing frame and old bike shed being removed. We are delighted that this is because we have finally agreed with the council to be able to access the land that adjoins the playground! We are hoping to develop this into a quiet space where we can also have Forest Schools sessions and the children can do some growing. We will be looking to raise money and get some parent-power involved once we can make the land safe, so we will keep you informed!

This year is the anniversary of 80 years since the end of WWII. We will be having a special party lunch menu in school on Friday 9th May, and inviting children to wear party clothes to commemorate this historic event.

Finally, we would like to thank you all for your kindness and understanding in our shared grief this week and we very much appreciate your kind messages following Mrs Abbott's passing. We know that many of the children have been affected by the news of her death, so please do reassure them that they can speak to any adults in school if they are feeling upset or unsure. We also appreciate your suggestions of donations in her memory, and a condolence book. We are in the process of organising both of these and will keep you updated. Please do look after yourselves, and remember that we are all here for each other.

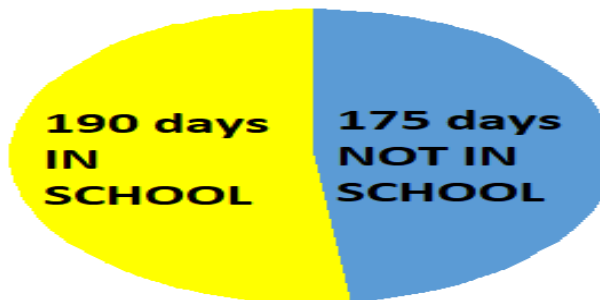

We wish you a lovely weekend.

Mr Harris and Mrs Mansfield

BEST WEEKLY ATTENDANCE 1W – 100% attendance!

365 DAYS

EVERY DAY MATTERS
We expect children to be in school 96% of the time

175 days per year to organise appointments, see relatives and go on holidays.

Issue 26

25th April 2025 to 1st May 2025

Dinner Week Menu: 2

As part of the ongoing efforts by TLT to prioritise the health and wellbeing of our children, we have partnered with the London Marathon this year. As part of this, our very own Jordan Riches, who is based at Ranelagh Primary, is currently training to run the London Marathon on **Sunday 27th April!** It's a huge undertaking and we are very proud of him.

We will also have 160 children running the mini marathon the day before the full marathon. All the children will participate in the virtual mini marathon.

Jordan is looking to raise money for our extra-curricular activities. We offer over 100 free before school, lunch and after school clubs every week across the Trust. This is a huge investment and makes a massive impact on children's health and wellbeing. It is also a great support for many of our families, including the most vulnerable.

Every penny Jordan raises will make a difference so, if you are able, can we ask that you donate to the fund and also share far and wide with your organisations, colleagues, friends and anyone else you can think of.
