

CURWEN WEEKLY

Together Everyone Achieves More

Dear Parents and Carers

Thank you so much for all of your support in what has been a difficult week for us at Curwen. We know that the news of Mrs Abbott's passing has affected many of you as well as us, and we do really appreciate your support. Following your suggestions, we have a Book of Remembrance available at the main office for anyone that would like to write a message to Mrs Abbott's family. This will be available daily 2:15-3:00pm. If you prefer, you can send a message to info@curwen.tlt.academy and we will print this and include. As per the family's wishes, we will be collecting money for St Joseph's Hospice. If you would like to donate we will have a collection pot in the main office, or you can donate online - <https://www.stjh.org.uk/support-us/make-a-donation/>

Year 4 have a busy week next week! If you want your child to be home alone, please ensure you attend one of the meetings on Tuesday 6th May (9am in person or 4:30pm online). **Children will not be able to go home alone without attending one of these.** They are also off to our new outdoor centre in Chigwell next week, so we hope they have an amazing time!

This week, our 'Wake Up Wednesday' poster was about road safety. Knowing how busy the roads are in Newham, and particularly with the e-bikes and scooters which are hard to hear approaching, this has never been more important. Please remember that the Healthy Streets around Curwen **do not mean** there are no cars / bikes / scooters on the road, and therefore care must still be taken crossing. We have had several reports this week of near misses with children dashing across the road in front of cars. <https://www.curwen.newham.sch.uk/page/?title=Online+Safety&pid=337>

As you will know, there is no school on Monday for the May Bank Holiday. We hope that the weather stays good and that you are able to get out and about and have a lovely time.

Have a lovely long weekend!

Mr Harris and Mrs Mansfield

SCIENCE MUSEUM COMPETITION: Design a space mission badge/patch

Download the entry form and find the email link to submit entries here:

<https://www.sciencemuseum.org.uk/space-competition>

Be quick as they need to **submit entries by Tuesday 6th May.**

PRIZES: The winning patch design from this competition will be used on the mission, Going Rogue, and displayed alongside a prototype Rogue thruster in the new Space gallery at the Science Museum, opening later this year. The patch will also be added to the Science Museum Group Collection, joining our extensive space technology collection. The winner and their family will get to tour Magdrive's laboratory and be invited to the Science Museum to see their patch on display this autumn.
