

Together Everyone Achieves More

Dear Parents and Carers

This week we want to congratulate our wonderful Year 6 children. They have been SUCH superstars this week with the SATs tests. Although we know there is SO much more to our wonderful children that academic results, they should all be so proud of how hard they have worked and how focused they have been this week. Thank you to all of the parents and carers for all of your support, as this really does make all the difference.

This has been quite a short term, and we are heading quickly towards the half term break. We have lots planned for next half term, and plenty of opportunities for you to get involved. Please don't forget key dates are available on the school website - [Curwen Primary School - Dates for your Diary](#)

This summer we are **trailing** hiring tables for our fair on Friday 11th July. If you are interested, please complete the form – [Summer Fair Interest Form](#)

Do feel free to pass the link on to friends or family that may be interested.

We frequently speak to the children in school about the importance of staying safe in both the real world and the virtual world. Please do remember to check our weekly 'Wake up Wednesday' posts. These are also available on our school website, and have lots of excellent suggestions.

Finally, can we please make another lost property plea! With the warmer weather, children often take off their jumpers/cardigans/coats in the playground and then forget about them. As a result, our lost property box is overflowing yet again. We do return clothing with names to classes a few times a week, so **please** do put your child/s name in all items they are likely to leave around the building. We would also ask that if your child has lost anything that you check the lost property box.

We hope that you have a lovely weekend

Mr Harris and Mrs Mansfield

Word of the Week
Well-being

Year 4 went on a fantastic trip to Chigwell Row Centre. With a range of fun-filled activities to take part in, we definitely made the most of the experience! We took part in structured action-packed sessions across land, air and water, helping our children develop a range of skills, build confidence and, most importantly, have fun!

We needed to use many of our Curwen Core Skills throughout the day, including teamwork, communication, resilience and leadership. The children and staff all had a great day together!
