

Dear Parents and Carers

It has been a hot and sweaty week! Please be reassured that we have been allowing children to spend lunchtime indoors, and encouraging them to drink plenty of water. Please do help us by making sure they are not wearing coats and thick jumpers, and taking any allergy medication **every** morning and evening. Please also ensure they have suncream applied before school, and wear tops that cover their shoulders. They really do need a water bottle every day as well, so they can have easy access all day.

We have really appreciated all of our wonderful parents, carers and family members who have all been supporting us with our educational visits even in the heat! We love to give children the opportunity to get out and about and see new things to help them find learning enjoyable, and this would not be at all possible without your support.

We now need your help again! We have our summer fair coming up on **Friday 11th July**, so please make any donations to the main office. We are taking good-quality books, toys and uniform as well as donations of cakes, sweets and treats.

This week we are DELIGHTED to celebrate our very own Ms Miles who has been recognised at the Pearson Teaching Awards with a Certificate of Excellence for SEND and Inclusive Practice. This was possible thanks to Ms Nea, Ms Peck and one of our parents submitting a nomination. We are very lucky to have Ms Miles who does so much for the children, their families and supporting our staff. We are very proud of Ms Miles, well done!

Have a lovely weekend,

Mr Harris and Mrs Mansfield

RE Infant Conference

On Wednesday, six year 2 children attended the Newham RE Infant Conference where the theme was 'Kindness'. They had the opportunity to interact with children from several different primary schools from across Newham and take part in some wonderful team building and crafting activities. They also had the chance to explore the similarities between different religions and non-religious worldviews when it comes to kindness.

A Special Week with Our Spanish Friends

Curwen was filled with joy as we welcomed students from our Spanish partner school: Santa Clara Primary School, in Cuellar, Spain. Laughter, learning, and new friendships blossomed as our pupils and guests shared unforgettable moments together. The visit was more than just cultural exchange—it was about connection, kindness, and understanding. Children learned new words, discovered new customs, and opened their hearts to a different way of life. Children from both schools have created memories that will last a lifetime. It was a beautiful reminder that friendship knows no borders. We can't wait to see where this partnership takes us next.

Educational Visit to the British Library

A group of year 2 & 3 super readers had the opportunity to visit the British Library and attend the workshop: *Once upon a time – Tell a story*. The children enjoyed learning about storytelling and the history of the written word. At the end of the trip, Rabab in 2L said "The whole day was fantastic," whilst Dennis in 2SA mentioned "We've learnt so much about books and stories!".
