### Big Wheel and Walk

Curwen secured third place in the UK's largest active travel initiative, the Sustrans Big Walk and Wheel 2025.

Throughout this event, children engaged in various modes of transport to reach school, including walking, cycling, scooting, or roller skating. The goal was to inspire families to adopt active travel habits, enhancing health, improving air quality, and showcasing how these small changes can positively impact the environment.

In addition, we organised Dr. Bike sessions for bike repairs and brake checks, as well as a Bling Your Wheels Day, where children had the opportunity to decorate their wheels with colourful streamers and spokes.

For doing a great job as a Head Start Champion—being kind and caring.

We're thrilled to share some amazing news with you all! This year, the Tapscott Learning Trust will be showing its support for the Cancer Research UK charity. This incredible initiative aims to help thousands of people affected by cancer, and we'll be raising money in a few different ways.

Let's show our care together! On Wednesday, July 9th, we're encouraging everyone to wear blue clothes to show your support. We're asking for a 50p donation from each person who participates.

Secondly, the Student Council will be hosting Kahoot sessions for different year groups in Class 40 during the coming week. Get ready to test your knowledge and have some fun! - 20p entrance.

Here's the schedule:

- Tuesday: Year 1 and 2
- Thursday: Year 3 and 4
- Friday: Year 5 and 6
