

Dear Parents and Carers

We have enjoyed the nicer weather this week at Curwen, and it has been lovely to see the children out in the playground and active! The children from year 2-6 have had special assemblies this week to get ready for 'World of Work Week.' We think this is a really valuable opportunity for children to consider a wide range of jobs which they may want to pursue when they are older, and gives them the chance to visit businesses as well as meet a range of people from different jobs. A big thank you to all of the parents and carers who have agreed to support us on the various visits.

A big thank you also goes to everyone that has returned their child's club form on time. Please note that we will do our best to allocate children their first choice of club, however there are often some clubs that are much more popular than others. Also, if you have returned a form with no name or beyond the deadline, we can not guarantee to allocate your child a place. A big thank you to our wonderful staff that have offered to run these clubs.

This week we would like to remind all parents and family members about the importance of respectful behaviour in and around the school. Unfortunately this week we have had complaints about foul language being used in the school playground. If this is heard by members of staff, please do not be offended if we speak to you about it. If any parents/family members witness inappropriate behaviour, please report it to a member of school staff on a gate immediately. That way we are able to speak to anyone involved there and then. We work very hard to speak to the children about the importance of respect, teamwork and community and we really hope that all members of our community model this behaviour and are positive role models. Thank you all for your support with this.

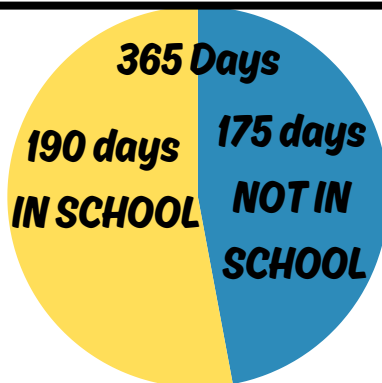

Have a lovely weekend!

Mr Harris and Mrs Mansfield

**Best Weekly Attendance**  
**3H & 5I - 100% Attendance!**

**EVERY DAY MATTERS**

We expect children to be in school 96% of the time.

175 days per year to organise appointments, see relatives and go on holidays.

10th October 2025 - 16th October 2025

Dinner Menu: Week 1

# Stars that SHINE

### Team Points:

**Benjamin Zephaniah: 503**

**Julia Donaldson: 574**

**Roald Dahl: 546**

**Charles Dickens: 561**

We are collecting goods for a local food bank - Ambition, Achieve, Aspire - based at Canning town. All donations would be very welcome, especially now more than ever, during these trying times.

We ask that all donations have a long shelf-life, are not expired, and have not yet been opened. Non-perishables are especially welcome. You can give these donations to the main office.

This collection will continue until the 17th October, so please donate before then if you are interested in doing so.

On September 29th, Curwen welcomed 29 Chinese PE teachers who were participating in the Youth Sport Trust and Nike teacher exchange programme. This visit fostered a cultural exchange between the two nations, enabling them to share insights and effective practices for physical education. The guests observed a PE lesson in action and then conducted a practical session demonstrating activities typical of a Chinese PE class. Our students thoroughly enjoyed being part of this event, and we gained valuable insights into how physical education is taught in China. Claire from Year 6 shared, "I enjoyed it because it was an opportunity to meet different teachers and discover what they do for PE in their country. It was a lot of fun."

## Reminder

Collection from after school clubs, that finish at 4:30pm, is at the London Road and Stock Street entrances, except for Fridays where collection is from the main office.
