1st December 2025

Dear Parents and Carers,

You may remember back in September at our welcome meetings that we discussed the changes to our Relationships, Sex and Health Education (RSHE) Policy and the revision to our curriculum based on government changes.

Within Newham, there is currently consultation taking place with groups in education, health, religious and faith organisations and groups, local councillors, school governors, parents and pupils.

The Newham Partnership is reviewing the current policy, which Curwen will adapt to suit our needs. We would like to invite you in for some information sharing sessions so that we can gather your views. This will be a chance for you to look at the proposed curriculum and resources, to ask any questions that you may have and to ensure that we are able to deliver the curriculum in partnership with our families.

All meetings will be held at 2:30pm and again at 4:45pm at school. The dates are as follows:
Tuesday 21st April 2026 = KS1 curriculum (for years 1 & 2)
Wednesday 22nd April 2026 = LKS2 curriculum (for years 3 & 4)
Thursday 23rd April 2026 = UKS2 curriculum (for years 5 & 6)

All parents and carers are welcome to attend. Please remember that the new curriculum will not be taught until **September 2026**, so you may wish to attend a meeting considering the year group your child will be in at that time. If you wish to come to multiple meetings, you are very welcome. Nursery and Reception parents are also welcome to attend. We are not consulting these year groups as the curriculum is **staying the same**.

If you are unable to make those dates or times then nearer to the time we will also run a parent survey in order that you can share your views.

Just to reassure you that once the curriculum is agreed, we will continue to share this with you each year at our September Welcome Meetings.

With kind regards,

Mrs Mansfield
Head of School
