

Dear Parents and Carers

We hope that you have had a lovely week. A big thank you to everyone that has donated cereal for our breakfast club, this will make a huge difference to the school. It has also been fantastic having so many of you in to support with the costume-making workshops, and we hope that you have enjoyed this. We are hugely looking forward to International Week, and the Carnival dances are looking great! As always, if you have any music suggestions for us to play, please do send through on Studybugs and we will pass them onto Mr Hearn.

Please make sure that you have read our letter to explain about the changes to first aid messages. We hope that this system will make communication clearer, but are happy to receive any feedback about this. You will need to have set up your Arbor account, so contact us if you are having any difficulties.

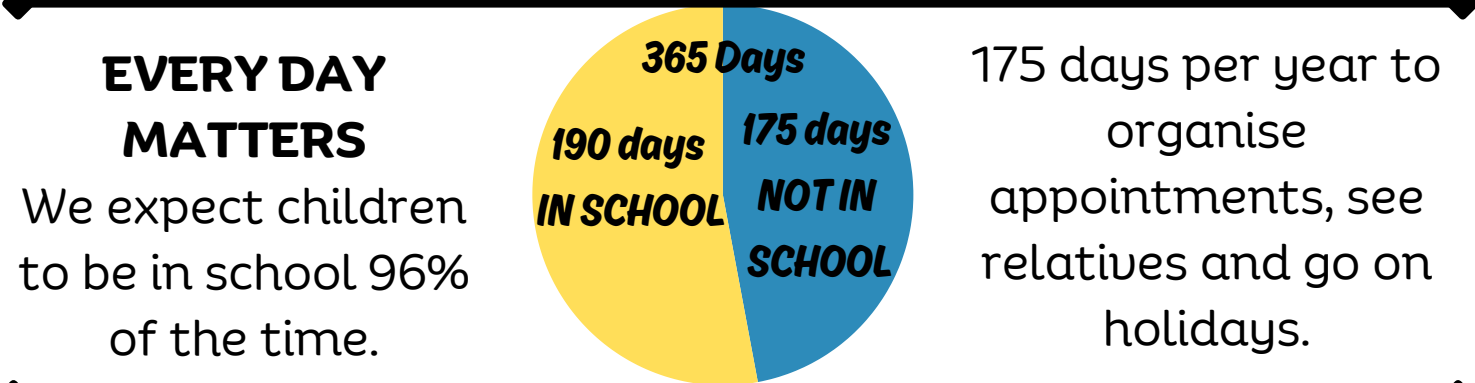

On Friday 20th March, it is Comic Relief. Due to the cost of the noses, we are no longer selling them in school. However, if children would like to take part, the school council will be painting red noses for 20p at playtime and lunchtime.

With International Week, there will be lots of reminders and information shared. Please make sure you have our Studybugs app and that you are regularly checking messages. Do ask if you have any questions.

Next week, we know that our Muslim families will be celebrating Eid. Please make sure that you report your child's absence on the day, and let us know they are off for Eid. This is then recorded as an authorised religious observance. We wish all of our families celebrating Eid Mubarak, and hope you have a really wonderful time.

Mr Harris and Mrs Mansfield

We are aware that pollen and pollution levels are rising. This means that children with hay fever and/or asthma are being affected. Please ensure children are given allergy medication EVERY day as per the dosage to make it easier for them in school. Unless this medication is administered regularly it is not as effective at reducing symptoms.
