

Dear Parents and Carers

It is the end of a very busy week at Curwen! We have loved our Family Sports Week, and it has been amazing seeing so many of you coming along to support the various activities. A HUGE thank you goes to our PE Team who have worked extremely hard to make it an amazing week. We hope the children have enjoyed it as much as us.

Not only that, but on Monday we had the Farm in for our younger children. It is always odd looking out of the window and seeing a sheep! Next week we have 'Zoolab' for our older children, which we hope they also enjoy.

Next week we will also be holding our annual TTLT Awards which we are also looking forward to. This will be available to watch online after the awards, so look out for the link which will be sent to you on Friday.

As per the message from the office, please make sure you have access to the Arbor app or website, as we are sending lots of information via this. This includes the end-of-year reports and information about your child's new class teacher and where their classroom will be.

We are very excited about our fair next Friday 10th July. We are still taking donations (not clothes, shoes or handbags please) and look forward to seeing you all there! Please note that children attending 6 o'clock club will be able to attend. A letter will be coming out. As well as this, we have our end-of-year concerts and Big Outcomes. Please ensure you are on time, as we do not allow late arrivals.

We are receiving lots of information about events over the summer holidays, and are adding these to 'Our Community - Local Holiday Activities' so do check what is on. We will continue to add information as we receive it.

See you next Friday for the fair!

CURWEN PRIMARY SCHOOL

"Together Everyone Achieves More"

Curwen School Council's Community Project

Recently, the Curwen School Council embarked on a commendable community project to express their gratitude towards local neighbours.

School Councillors ventured into the neighborhood, warmly greeting residents while engaging in a variety of languages, including Bangla (হালাও / Assalamu Alaikum), Urdu (السلام عليكم / Assalamu Alaikum), Romanian (Bună), and Portuguese (Olá).

To convey their appreciation, the students thoughtfully created thank you cards and assembled charming small hampers filled with treats, tea bags, and plant seeds. They then personally delivered these tokens of thanks to homes in their vicinity, extending a heartfelt thank you to each neighbour.

This entire initiative showcased the students' impressive communication skills, collaborative spirit, and creative ingenuity.

Prospective families are welcome to arrange visits at any time.
