

Dear Parents

We are at the end of another warm week at Curwen! We have been working hard to keep everyone as cool as possible. We are sorry the children have missed so many lunchtime playtimes, but we are hoping it will be cooler next week and everyone can go outside. Thank you again for all of your support with this.

This week we have had 'Zoolab' in for KS2 as well as lots of performances. Thank you so much to everyone that was able to attend. We do recognise that at this time of year we have a lot going on, so completely understand that for working parents it is not possible to get in for everything.

This week we had our annual TTLT Awards. For the first time we held them in person at Curwen which was lovely. We are hoping that we will be able to share the video with you soon. We hope you enjoy it as much as we did!

We are advertising for a temporary lunchtime supervisor role in school for September. Please see online if you are interested <https://teaching-vacancies.service.gov.uk/jobs/lunchtime-supervisor-curwen-primary-school>

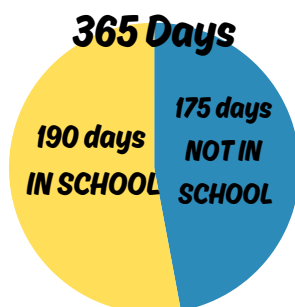

Next week school reports will be sent out on Arbor for the first time. Please make sure you are able to receive messages. Children will bring home a letter to remind you on Monday. They will also meet their new teachers and find out their new classrooms. We can hardly believe it's nearly the last week of the academic year!

Have a lovely weekend!

Mr Harris and Mrs Mansfield

EVERY DAY MATTERS

We expect children to be in school 96% of the time.

175 days per year to organise appointments, see relatives and go on holidays.

10th July 2026 - 17th July 2026

Dinner Menu: Week 1

Stars that Shine WINNERS

Nursery: Uzair & Hamdan

Farm Animals Take Over Curwen

Excitement filled the air as Curwen recently welcomed some extraordinary four-legged visitors for an engaging hands-on experience!

Children in EYFS and KS1 thoroughly enjoyed meeting, petting, and feeding a variety of friendly animals, including donkeys, pigs, goats, chickens, rabbits, hens, and sheep.

In a direct connection to their science curriculum, our young learners listened intently as experienced farmers shared captivating insights into animal life cycles, daily farm life, and the link to food production.

It was a wonderfully fun, tactile, and educational day that the children absolutely cherished—another fantastic visit, and we can't wait to welcome the farm back again next year!

As a school committed to providing diverse learning experiences, Curwen continues to explore creative ways to integrate real-world connections into the curriculum, ensuring that each child has the opportunity to grow and thrive in a supportive environment. With community partnerships and engaging activities like these, we aim to inspire a lifelong love of learning and a deeper appreciation for the world around us.

Prospective families are welcome to arrange visits at any time.
To arrange a visit or for more information, call: 020 8472 0290 or email: info@curwen.ttlit.academy
