## Leading Parent Partnership Award - Update

Dear Curwen Families,

You may remember that in March we wrote to informing you that we are seeking to achieve the Leading Parent Partnership Award (LPPA) in recognition of how we engage parents/carers as part of the Curwen TEAM. We are writing to inform you that currently we are making good progress in gathering evidence towards achieving this award and are due to be assessed in the second part of the Summer Term.

Part of this process involves us asking you to complete evaluation comments after our Big Events, Big Outcomes and Class assemblies. As a parent of Curwen these evaluations are not a new thing to you, but we just wanted to take this opportunity to thank you for taking the time to complete these.

Your feedback is collated and discussed so that we can continue the range of opportunities and events that are currently offered, as well as make changes where necessary.

A copy of the latest action plan is on the school website (the LPPA tab under Parent info) for your information, so that you can see the progress we are making together.

Once again if you have any questions please do not hesitate to come and speak to us about this. Alternatively, please visit <https://www.awardplace.co.uk/award/lppa> to find out more about this award.

May we again take this opportunity to thank you for your support.

Yours sincerely,

Mr Potter

Assistant Head teacher for KS1 & Community
