Arriving at School

Gates to the playground will be open at 8:35am but there will be no staff in the playground until 8:45am, so you will need to supervise your children. Children are not permitted to use the playground equipment/climbing frames at this time.

Classroom doors will open at 8.45 am and close at 8.55 am everyday, any children who are late should make their way to the main office with a parent/carer and wait outside until your child/ren can be taken to their class.

If you want to come to Breakfast Club it is from 7.45 - 8.30am everyday and costs £1.20 per day. (Children will not be admitted after 8.30am). Entrance to breakfast club is via the main office.

Collecting your child at the end of the day

Please collect your children from their classrooms at **3:15pm**. Gates will be open from 3:10pm for you to wait in the playground but children won't be dismissed until 3:15pm.

The playground gates will be closed at **3:25pm**. After this time, you are late and you will need to collect from the office.

If your child is collected after 3:30pm you may be charged a late fee.

PLEASE PHONE THE OFFICE AS SOON AS YOU KNOW YOU ARE GOING TO BE LATE COLLECTING YOUR CHILD TO AVOID BEING CHARGED.

Collecting your child - safety at the classroom door

Please be patient with teachers and staff whilst we get to know your faces at the end of the day.

We want to make sure that the children are sent home safely, so please be patient. The teacher may be speaking to another parent, so it may take a minute or 2 to dismiss your child.

Please stand back from the yellow arches to give children space to come out of the classrooms.

**PLEASE PHONE THE OFFICE BEFORE
3pm IF SOMEONE DIFFERENT IS
COLLECTING YOUR CHILD AT THE
END OF THE DAY**

Scooter & bike safety - before/after school

The playground is a very busy place so all children and adults must **COMPLETELY** dismount from scooters and bikes once on school premises. Expect to be spoken to by school staff and if it continues, your child may not be permitted to bring their scooter/bike to school any longer.

Last year there were several collisions/injuries in the playground relating to scooter/bike usage before & after school.

Thank you for helping to keep all of our school community safe.

After school childcare provision

After school we have a **6 o'clock club**. This runs Monday to Friday and is open to anyone.

The cost is **£13 per day** and children are supervised by members of school staff.

This club is flexible - some children stay all week but others only stay on certain days but this **must be booked in advance**.

Anyone collecting a child from 6 o'clock club must be 16 years old or over.

Please speak to a member of the office staff if you would like more information about **6 o'clock club**.

After school clubs (Yrs 1-6)

There will be 2 types of clubs after school

- (1) Additional Tuition - these are additional learning support sessions delivered after school for specific children. School staff decide on who needs to attend these & they are free. Starting week beginning Monday 28th September.
- (2) Extra-curricular activities e.g. cooking, art, sports, gymnastics - there will be a charge for most of these activities. Open to all children. Starting after October Half Term Holiday.

Letters will be coming out in the next couple of weeks about this.

Half-term Holiday club

In the October Half-term holiday we are running a 2 day holiday club for years 1-6 at Curwen 10am-3pm
(Monday 26th and Tues 27th October)

Again, letters will be coming out about this in the coming weeks.

**If you need any help setting this up then
please speak to office staff.**

Celebration/birthday treats

We request that parents **do not** send in party bags, sweets, cakes, toys or treats for their child's birthday as this becomes very difficult for us to manage in school and becomes expensive for families.

To celebrate children's birthdays, we invite them to wear **non-uniform** when it is their birthday. That way staff know it is their birthday and we can make it a special day for them. If their birthday falls on a Saturday, Sunday or in the holidays then they can choose whether to celebrate the Friday before or Monday after.

Water bottles

- Please ensure your child brings a water bottle (with water!) each day
- This should be labelled with your child's name and class
- The children have access to water fountains around the school which are cleaned regularly

Appointments

- All medical and dental appointments should be arranged **outside of the school day**.
- Where this is not possible, please inform us through Studybugs and provide evidence of the appointment.
- If your child is at an appointment in the morning, and you cannot get them back to school before 12pm, then they should not come back until 1pm.
- No children will be collected or admitted back into school during the lunch hour 12-1pm.
- No children can be collected from the main office 3:00-3:25pm.

Medical Conditions

Please ensure that all **medical details are up-to-date** – if anything changes, please let us know **immediately** by speaking to the **office**.

All children with asthma should have an **asthma pump with a prescription label permanently in class (make a note expiry date so you know when to contact your GP)**. If they require any other prescribed medication, then please bring this to the office ONLY.

DO NOT GIVE ANY MEDICATION OR ASTHMA PUMPS TO CLASS TEACHERS OR SEND IT IN YOUR CHILD'S BAG

Throughout the year we will be contacting parents to update health care plans. This is a legal requirement to ensure pupils are safe in school.

Medical Conditions

If your child hurts themselves inside or outside of school and it is necessary for them to wear a cast/bandage/support or have crutches etc, then you must inform us as soon as possible and accompany your child to the **main office** on their first day of return.

Staff will help you to complete a temporary health care plan before letting them come into school. This is for their own safety.

Please bring with you any paperwork that you are given from the A & E department or doctors.

Behaviour at Curwen

Children behave very well at Curwen and usually make the right choices. However we firmly believe that no one child's behaviour will ever be allowed to disrupt the learning of the rest of the class.

Positive rewards

Throughout the day and over the course of the year, children who try hard in their work and follow the school rules are rewarded in lots of different ways. Here are just some:

Behaviour at Curwen

We use a visual traffic light system to remind children of their behaviour choices and associated consequences.

-2nd reminder. You will need to attend Restart to reflect on your behaviour choices

-1st warning. You need to think carefully about the choices you are making right now

-Well done, you are making the correct choices

Behaviour at Curwen

'Restart' is an opportunity for a child to take some time away from their class to reflect on their behaviour choices. They are supported by the pastoral team to talk about strategies they can use next time.

You will always be informed of this and every day is a new day.

Are we going on any trips?

We will be going on educational trips to support our learning and will have visitors in to share their experiences with us.

These will include:

Autumn -

Cheshunt residential (Group 1: 12th-13th Nov, Group 2: 19th 20th Nov)

Spring -

Ragged School Museum

Summer -

East London Mosque
William Morris Gallery

We will be asking for parent volunteers to accompany us on trips to support us by looking after small groups of children. Please read all letters carefully.

Permission slips - if your child attended Curwen last year, then you would have signed a form giving permission for your child to attend trips and this permission continues into this current year, so there is no need for you to do another. Reminder slips will be sent home before each trip.

Can parents come on the trips?

Yes! But...

- ❖ This is to **HELP** the school staff supervise a group of 5 or 6 children - keeping them safe and asking the children questions to help them learn on the trip.
- ❖ Helping on trips can be **hard work** so please only volunteer if you are physically able too & can walk/stand unaided for significant periods of time.
We go out in **ALL** weathers!
- ❖ Please only volunteer if you can **DEFINITELY** attend.
Pulling out at the last minute really puts us in a difficult position, meaning the trip may have to be cancelled and you won't be asked again.

Can Parents come on the trips? (continued)

- ❖ Reminder letters will be sent home a couple of weeks before each trip.
- ❖ At this point, if you are able to volunteer then please inform your child's class teacher asap either verbally or send us a message on Studybugs.
- ❖ The teachers will then inform you of which volunteers are required.
- ❖ If you have not been chosen to volunteer, then **please do not make your own way to the trip venue unless school staff have explicitly said this is okay.**
- ❖ Throughout the year we will try to ensure that every parent who wishes to support on a trip gets the opportunity to help at some point, but you won't go on every trip. Teachers will keep a record of who goes on which trip so that it is fair.

RSHE (Relationships, Sex & Health Education)

Relationship, Sex and Health Education became mandatory for all primary schools to teach from spring 2020. It is delivered through the school's PSHE (Personal, Social, Health and Economic education) curriculum.

Our curriculum was designed in consultation with Parents, pupils and staff.

More information will follow this meeting for those that wish to find out more.

Assessment at Curwen

- At Curwen we follow the National Curriculum
- Each Year Group has 'End of Year expectations'
- Throughout the year, your child's teacher uses a range of information to determine what your child can do, and what their next steps are.
- We use their classwork, work books, observations, chats with the children & parents, as well as some test papers at various points in the year to help us work out and share your child's progress with you.
- You can always discuss how your child is doing with the teacher, and their overall attainment will be shared with you in their end-of-year report.

Homework

All homework will be put online onto your Child's Google Classroom account each Thursday or Friday. There will be a literacy task, a maths task and sometimes a topic project.

This will usually be revision of topics that have been covered in class that week.

Please speak to your child's class teacher if you are having any problems with this.

Reading

- In **Year 5** we expect pupils to be reading for at least 30 minutes (5 times per week minimum) to help pupils build on their fluency and enjoyment in reading.
- Children will soon be given a book by their teacher which they will be able to read independently. They can also select a fiction and a non-fiction book from the school library.
- Year 5's library day: 5F = Tuesday, 5C = Wednesday, 5CB = Thursday and 5A = Friday
- **Please ensure books are placed in their book bags for these days.**
- Reading book changing will take place when your child has finished their reading book.

Home learning

Reading Record

To be completed DAILY with a sentence written by **the children** about what they have read that day.

Online Home learning

(1) Bug Club

- An online reading & phonics resource
- Available for children to use at home and in school
- Login, username and school password will be sent out very soon.
- If you every misplace your logins please send us a message **directly** on studybugs.

Online Home learning

(2) Times Tables Rock stars

<https://ttrockstars.com/>

(3) Google Classroom

- All children in years 1-6 are now familiar with how to log on and access homework on Google Classroom.
- Your child's log in details again will be sent to you shortly.

Please do not message teachers on this platform.

STAYING SAFE ONLINE

In class we have displayed three main rules to stay safe online:

- Don't share personal information
- Don't communicate with strangers
- Tell a trusted adult if you are worried about something

Stranger Danger applies online!!!!

If you are ever concerned about accessing information online or have any questions about internet safety, you can speak to your class teacher, Mr Jammeh or the Computing Leader (Miss Lam).

There are several websites offering help and advice about how to stay safe online. Just search 'e-safety', e.g.

<https://www.thinkuknow.co.uk/>

ONLINE SAFETY

Online Gaming

Is the content age appropriate?

Fortnite PGI=12 years old

RoBlox=7 years old

Hello Neighbour PGI=13 years old

Social Media e.g. TikTok = 13 years old

Lots of games have communication facilities that allow strangers to contact your child. Do you know who your child is 'chatting' to?

Issues we have had reported...

- Sharing pictures of themselves / other people without consent to do so
- Sending messages including unacceptable and offensive language
- Watching and sharing programmes and videos rated 18+
- Bullying, name calling and isolating peers through groups
- Setting up video calls (Facetime/Zoom) to share inappropriate images/videos
- Watching and sharing inappropriate songs/videos and repeated highly offensive language found within them

Suggested rules for using phones at home

1. Phones only to be used in shared family spaces, never alone in bedrooms.
2. Children to 'hand in' phones when they go to bed
3. No apps to be installed on phones without parental permission. Parents to check these first
4. Think before clicking 'send'. Would my mum / dad / teacher approve of this message?
5. No sending or sharing selfies or photographs without permission from parents/carers
6. No Whatsapp groups. Speak to people on a 1-1 basis only

How can you support your child's learning?

- Homework
- Reading records - discussing the text with your child and asking them questions
- Handwriting
- BUG Club & other online learning
- Practising times tables
- Come wearing P.E. KIT each Wednesday
- Participate in any parent opportunities (mixture of virtual & in-person)
- Talking about their experiences

Well-being

At the end of the school day, your children have lots to share with you. They may have stickers, they may have learned something really exciting they'd like to tell you about!

Please, leave your phones in your pockets for 10 minutes while you greet your child.

And please don't be offended if we don't let your child out until you have finished your call.

When collecting your children, please welcome them with a smile, not a mobile phone.

This ensures teachers can quickly and safely hand over children and relay any messages.

Please remember to inform the office as well as the class teacher of any changes in the collection of your child.
