

Dear Parents and Carers

It has been a busy week at Curwen with lots of our Welcome Meetings and several visits out. A huge well done to everyone that has made sure they can access Arbor and give permissions. Please remember we also send our daily first aid messages through Arbor, so without access to this you will miss out on lots of information. We will also be adding clubs on here once they start.

This week we would like to introduce you to our new TTLT attendance mascots. The children voted to name them 'Curious Quinn' and 'Quanley', and they are there to motivate and encourage the children to strive for fantastic attendance and punctuality. We know this makes a big difference, and being in school each day at 8:45am means children are ready to start their learning. According to research, missing 10 days of school each year reduces the likelihood of a child reaching the end-of-year expectations at the end of year 6 by 25%.

Meet Curious Quinn and his friend Quanley. They **help all of us show up, shine, and learn together every day.**

- **Being on Time:** Just like Quanley and Quinn high-five at the start of an adventure, showing up on time means you never miss out on the fun, games, or morning learning with your friends.
- **Curiosity:** Quinn knows that when you come to school, every day brings a brand-new puzzle, story, or project to figure out.
- **Teamwork:** When you're here, our class team is complete! Quanley and Quinn love seeing full classrooms where everyone can high-five and learn side by side.

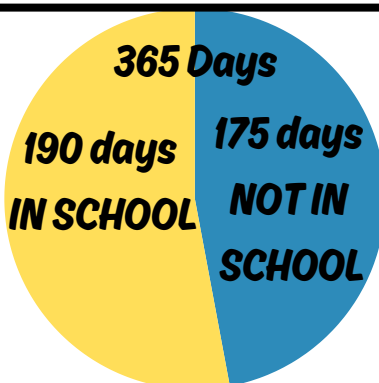

Every Friday in our assembly, we celebrate the class (or classes!) with the best attendance for the week. If they get 100% attendance the class has a small reward. At the end of each term we celebrate individuals with 100% attendance as part of our Celebration Assemblies.

We hope you like our new mascots as much as we do! Have a lovely weekend

Mr Harris and Mrs Mansfield

EVERY DAY MATTERS

We expect children to be in school 96% of the time.

175 days per year to organise appointments, see relatives and go on holidays.

We would like to thank all parents that have downloaded the **Arbor** app and given consents for trips and home alone. We would like to remind all parents that it's absolutely VITAL to have the app installed and keep an eye out on the information coming through. If you require any help, please contact the school office.

Jeans for Genes Day

On Friday 18th September, all children and staff are encouraged to wear a pair of jeans or anything made from denim for a donation of 50p at the gates or via School Money. Jeans for Genes Day is an annual fundraising campaign for Genetic Disorders UK, the national charity that supports individuals and families affected by a genetic disorder. Monies raised on Jeans for Genes Day fund the work of the charity and provide grants to organisations for projects that aim to transform the lives of children with genetic disorders. It would be great to see everyone from the Curwen TEAM coming together once again to support this cause.
