

Dear Parents and Carers

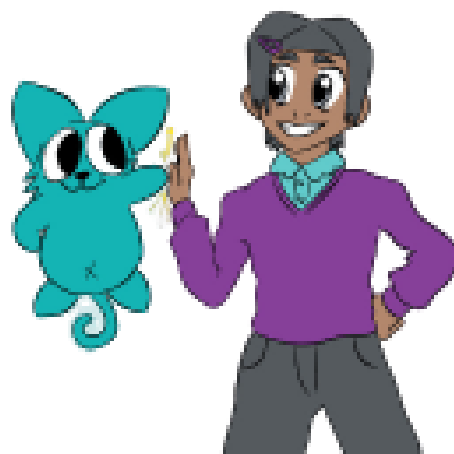

Thank you to everyone that supported us with Jeans for Genes last week. We raised a fantastic £279.56 which will go to a great cause. This week in assembly we have started our first 'Proud to Be' conversation of the year, where we encourage children to think about their own identity and what makes them proud. We hope it has made them think, and they have shared this with you at home.

This week we have started to get our Student Leaders in place for this academic year. Our School Council has started to meet, and our Lunchtime Leaders are fantastic in the dinner hall with the younger children. Over the coming weeks, children will begin their range of roles from Peer Mentors in the playground to Library Buddies inside reading. We really appreciate our children giving up their time, and hope this helps them to develop further life skills. Leadership is one of our Curwen Core Skills, and we hope this gives children some valuable experience.

As you will know, our tuition clubs will begin next week. Please remember Monday-Thursday collection is from the London Road gate or the Stock Street gate only. Please ensure children are collected promptly at 4:30pm. On Fridays, children should be collected from the main office. As always, a huge thanks to all our staff that offer to run clubs.

Have a lovely weekend!

Mr Harris and Mrs Mansfield

CURWEN PRIMARY SCHOOL

"Together Everyone Achieves More"

Announcing Curwen's School Council Members for This Year

We are delighted to introduce our School Council members for this year.

Our pupils have been learning about how various societies function and the significance of British Values and democracy, which are an integral part of life in modern Britain.

They have learned to identify the difference between rights and responsibilities and understand how these concepts contribute to being a responsible citizen.
