

Dear Parents and Carers

This week we have had lots going on in school for 'World of Work Week' for years 2-6. We hope the children have enjoyed exploring different jobs and workplaces. A huge thank you to all of our parents and carers that agreed to accompany visits this week, we really couldn't do it without you.

Next week as you will know, we have our first Parents' Evening of the year. Please make sure you have booked a visit on Arbor. Any issues, please send a message to the school office on Studybugs who will be able to help you. There will be no after school clubs on Tuesday or Wednesday (6 o'clock club will run as usual). This week we have also sent out our club letters for after half term. Please make sure you put your child's name and class and return to the class teacher. These often get filled up very quickly, and if forms are returned after the deadline it is unlikely your child will get a space.

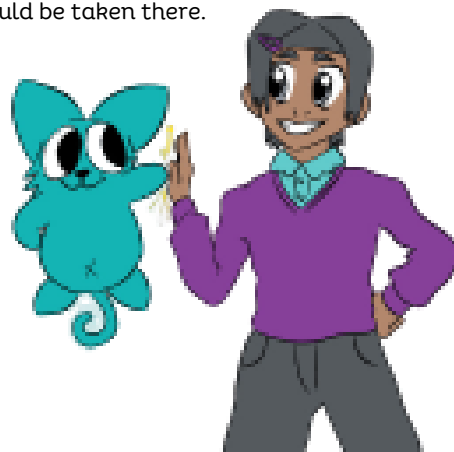

Over the half term holiday there are lots of activities on locally. We will continue to add these to our website, so do keep an eye out - <https://www.curwen.newham.sch.uk/page/?title=Local+Holiday+Activities&pid=459>

We have also updated our 'Diary Dates' with the year group Big Outcomes for the children to share their learning next term <https://www.curwen.newham.sch.uk/page/?title=Dates+for+your+Diary&pid=465>

At our parents' coffee morning this week, concerns were raised about road safety on the way to and from school. Parents mentioned that they had witnessed children going into the road and not always crossing safely. We are including information that you may want to share with your child/ren about road safety. If your child comes to school or goes home alone, please do remind them of the importance of being aware of their surroundings and crossing the road safely. Even with the 'Healthy Streets' many cars are still exempt and can drive in and out of the streets surrounding school, so particular care should be taken there.

We wish you a lovely weekend

Mr Harris and Mrs Mansfield

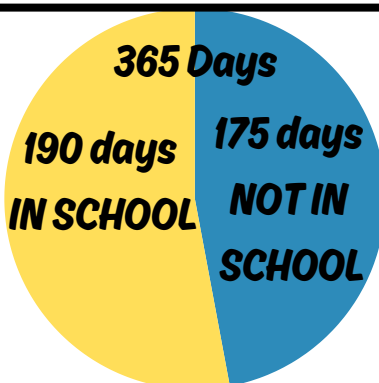

Best Weekly Attendance

2T & 6A - 100% Attendance

EVERY DAY MATTERS

We expect children to be in school 96% of the time.

175 days per year to organise appointments, see relatives and go on holidays.

16th October 2026 - 22nd October 2026

Dinner Menu: Week 2

Stars that SHINE

CURWEN PRIMARY SCHOOL

"Together Everyone Achieves More"

Curwen's Years 4, 5 and 6 STEM MAST Trip to the New Scientist Exhibition at Excel London

Following the success and enjoyment of previous years, we returned to the EXCEL for an engaging experience that introduced the children to various science and computing-related careers, experiments, and technology, including a thrilling explosive show.

The children thoroughly enjoyed exploring diverse sections, from healthcare and agricultural innovations to robotics. They participated in experiments that measured their responses to music, journeyed through a model digestive system, operated ultrasound equipment, performed VR brain surgery, utilised PlayStation controllers for surgical tasks, extracted DNA from strawberries, interacted with AI robots, encountered a dinosaur, and even milked a cow!

The children embraced every aspect of the event, retaining fascinating facts and discovering a multitude of careers related to science.

A big round of applause to everyone who attended for their enthusiasm and curiosity!

Looking forward to next year!

Curwen Primary School,
Atlas Road,
Plaistow,
London,
