Dear Parents and Carers,

As we reach the end of a busy and enjoyable term we want to say a huge thank you to each and every one of you for your on-going support and commitment to the school. We would also like to express our gratitude to all of the staff and pupils for all of their hard work this term. As I'm sure you will agree, we have had a wonderful array of visits, sporting events, performances and 'Big Outcomes' which have allowed our fantastic children to showcase their talents.

As well as this, we have had many successes throughout the term, including:

- ❖ Achieving the Artsmark Gold award for our commitment to creativity
- ❖ Two fantastic performances as part of the Shakespeare Schools' Festival
- ❖ Being recognised for the Mayor's Schools for Success for our outcomes for pupils
- ❖ Fantastic residential visits to the Lake District and Cheshunt (with more to come!)
- ❖ Retaining the TTLT Autumn Term shield for sports
- ❖ Raising money for our Sensory Bus as well as a range of other charities throughout the term

We wanted to share with you some of our end of KS2 school data from July 2018 which has been published this week. As you can see, pupils at Curwen are achieving significantly above National averages, which is fantastic. We are very proud of the achievements of our pupils, which is only possible through staff, pupils and parents working as a TEAM.
