

## February 2020 – School Vision

[illegible]

# Successful

- Focus on the whole child and developing skills: academic, social, emotional, transferrable
- Understanding what success looks like for each child—treating children as individuals with high expectations for all
- Real life experiences—trips, broad range of experiences & opportunities
- Celebrate successes - assemblies, certificates, House Points, Big Outcomes
- Developing pupils as leaders
- Working together with families
- Ready for the next stage in learning

*We want your views!*

*I love that we try to help children be more rounded individuals*

*Thank you for your hard work!*

*Easy to understand*

*I totally agree with schools ~~to~~ aims & vision. Curwen does a good job putting the children first but ~~by~~ also that only that but ~~by~~ also let the parents partnership is very important is bringing up happy, confident and successful children, who will be an asset to their families and community at large.*  
*Broad and dear!*

# Engaged

- Whole school approaches N-Y6 e.g. Carnival, Democracy, Family Week, PSHE, Anti-bullying, gym show, art exhibition, international week, fashion show, celebration assembly, sports days
- Community driven – intergenerational engagement, pupil parliament, school council, Anchor House, parental involvement
- Enriched learning—visits out, visitors, experiences, outdoor learning, residential, life skills
- Extra-curricular activities to further develop skills and opportunities

We want your views!

Equal opp  
for the  
whole  
child

Easy to  
remember!

KEEP it going.  
You're a fantastic job  
Proud of all of you.

1 thing is very good  
idea.

Very encouraging  
to the children/parents

It's really a good idea for every parent  
and school staff to engage with different activities.  
So pupil can know about different culture.  
And it's increase their educational skills.

# Identity

- Covered throughout the curriculum, including PSHE and RE: lessons that are reflective of the diversity in our school
- Trips in our local trips including places of worship
- Languages of the month shared and celebrated
- Concerts, performances, assemblies and special events celebrating our diverse community
- Links with our wider community e.g. Curwen Cares, hampers, Harvest Festival, Friends of Curwen, School Council

We want your views!

Newham  
is  
so diverse  
it's important  
for the children  
to know the  
different  
cultures  
and beliefs.

the  
opportunities  
the  
whole  
child

Easy to  
remember!

Tip  
Keep it going.  
Doing a fantastic job.  
Proud of all of you.

1 thing is very good  
idea.

## Healthy & Safe

- Importance of sports activities in lessons and after schools
- PSHE curriculum addressing particular issues in the local area
- Pastoral team to offer additional support as needed
- Healthy eating through Science and DT curriculum, healthy school lunch menu
- Residential visits, risk taking, forest schools
- Student leaders developing personal responsibility

We want your views!

I totally agree with schools ~~the~~ aims & vision. Cusmer does a good job putting the children first in everything that only that but they also believe parents partnership is very important & bringing in happy confident successful children, who will be an asset to their families and community as a large community.

road and dear

ls

you for  
our hard work!

Look like you got everything covered. Well done...

interesting

It's a good idea.

y helpful

aging

That's  
idea will do  
Curriculum team. ☺

Good  
message in  
the vision + aim.

Fakes  
H

It's good idea to  
get to know about  
children development.

I agreed all five  
principles where are in SHINE

children

Thank  
your he

Easy to understand

Really helpful

# Nurtured

- Focus on well-being through the curriculum and support available from peers and adults
- Adults build positive relationships with pupils and parents
- Policy of inclusion helps nurture all pupils academically
- Staff, children and families work as a team and learn to take care of and respect each other
- Clear expectations about behaviour – we can turn our behaviour around
