Together Everyone Achieves More

Dear Parents and Carers,

What difficult times we are living in at the moment. We would like to thank you all for your understanding and support in light of the difficult decisions that we have all been forced to make recently. We understand what a worrying time this is for everyone, including our children. Do please talk to them at home and reassure them that things will get back to normal, even if this takes some time.

As you will be aware, we have sent home learning materials with children, as well as details as to how they can log into a variety of websites which the school subscribes to. We will continue working to develop our 'Home Learning' area on the school website to provide ideas and activities for children to access. Please also ensure that you have the school app and Studybugs downloaded onto your phone so that we can continue to contact you whilst the school is closed.

We would like to sincerely thank all of our school staff, who have worked tirelessly this week in such uncertainty.

We wish you all the very best, and hope that you stay well. With all our very best wishes,

Mrs Mansfield
